

Pneuma Life FOUNDATION
FOR THE PREVENTION OF ABUSIVE FAMILY ENVIRONMENTS

Sponsorship Form

Objective

To present organizations with information about Pneuma Life Foundation and garner support for the Walk-It-Out Walkathon to help end domestic violence.

Goal

To attain sponsorship dollars to present an A-1 event that benefits survivors of violence with the tools to move forward and live their best lives in any way possible while putting your company name in front of 250-plus participants and new businesses looking to network and expand. We want your company name to be associated with the numerous individuals, agencies and organizations associated with a PLF event cause and a great cause. We intend to have every audience member walk away with information that helps them, their children, or others become more productive members of society.

Solution

Changing the world isn't done with one grand gesture, but a series of small accomplishments that reinforce the idea that it can be done. Let PLF be your first step in the process of making the world we live in a little more pleasant. Please look at the following options to help resolve an issue that has been plaguing individuals and families far too long.

Overview

A PLF event reaches a variety of key audience segments and provides a fun, entertaining and engaging way for sponsors to wow potential as well as existing stakeholders. Feel good about supporting a local organization whose cause uplifts families and helps better us all. You'll enjoy an unforgettable event as well as yourself.

Opportunities:

How You Can Help

“Walk-It-Out” is a not-for-profit event that is open to all participants. We rely on help from potential sponsors to assist us in pulling this project together. For a minimal donation, your organization can be instrumental in being the change our community desperately wants to see someone that would benefit from an event of this magnitude, or just wants some good old-fashioned exercise, send them our way! Consider a role as one of our guest speakers or vendors. If you have insight on, or a story to tell about, domestic violence please enlighten our audience by sharing information. First-hand accounts and resources are great ways to move others in the direction of our cause.

We are fully aware of the economic state of our nation and how purse strings are being pulled tighter to maintain structures that already exist. But, we strongly believe that the goodwill this walkathon imposes will be of huge benefit to our sponsors as not only a Domestic Violence Awareness Month acknowledgement but a goodwill gesture toward the community. In return it will bring awareness to our cause. Just a miniscule amount of your support will make an enormous impact.
